

2016 Impact Report

At the David C. Copley Foundation, we are committed to making a difference in the lives of those in San Diego County. We are doing our part to carry on the philanthropic legacy of David C. Copley and his parents, Helen K. and James S. Copley and endeavor to ensure that the underserved of our community have the best possible opportunity to live the highest quality lives.

In 2016, we expanded and grew our grantee base and refined our mission to improve and enrich the lives of those in our community by supporting programs and services that benefit military and military veterans, youth development, medical services and medical research, education and literacy, arts and culture, animal welfare and the provision of basic human services, especially those programs and services focused on improving the life or opportunities of the underserved in our communities.

In 2016, the David C. Copley Foundation granted \$3,378,000 to 105 non-profit organizations throughout San Diego County and has outstanding pledges totaling \$3,762,000, to five non-profits related to challenge or multi-year grants.

We are pleased to share our progress and look forward to continuing the legacy of the Copley family in the years ahead by carrying on their tradition of supporting life enriching programs and services of non-profits making a difference in San Diego.

Sincerely,

Dean P. Dwyer
President and CEO

Program Highlights

We are proud to support a variety of programs, services and events that impact the lives, minds and opportunities of those in our community.
