The Board and staff of the David C. Copley Foundation are pleased to report that in 2018 they furthered the mission of the Foundation by providing grant payments totaling nearly $7 million. It is gratifying to support so many diverse organizations diligently working to make a difference in our community.

Grants aggregating $3,210,100 were given to many local non-profit organizations with programs and services addressing some of the serious issues facing our community: homelessness, sex trafficking, food insecurity, social welfare of veterans and active duty military, underserved youth and health and other services to low-income seniors. Listed below is a complete list of grantees receiving payments in 2018 from the Foundation.

In addition, the Foundation paid grants in the amount of $2,452,000 to support many exceptional medical institutions making a difference in cancer research, cardiac care and mental health. We made the first installment of $1,250,000 on a $5 million pledge to Rady Children’s Hospital to create the region’s first pediatric psychiatric emergency department, which is expected to open in early 2020. We also made the final payment of $900,000 on a $1 million pledge to Sharp HealthCare for its Advanced Heart Care Center. We continue to support Salk Institute’s efforts in pancreatic cancer research and are encouraged by the advances it is making in treating this dreaded disease.

We are excited about collaborating in a partnership with the Center for Climate Change Impacts and Adaptation at Scripps Institution of Oceanography and the City of Imperial Beach on a sea level rise preparedness project. Our funding for this collaborative will upgrade Imperial Beach’s flood alert capabilities and better prepare for sea-level rise thus creating a model that other communities in San Diego and along our California coast could adapt in the future.

The Foundation continued to support humanitarian relief efforts in regions impacted by natural disasters in 2018.

We are proud to carry on the philanthropic legacy of David C. Copley and his parents, Helen K. and James S. Copley, and to share the impact the Foundation is having here in San Diego and beyond.

Sincerely,
Dean P. Dwyer
President and CEO
Program Highlights

We are proud to support a variety of programs, services and events that impact the lives, minds and opportunities of those in our community. Each non-profit we support has a unique appeal or approach that fits within our grant guidelines and aligns with the mission and focus area of our Foundation. A list of our 2018 grantees follows:
